PROPERTY DESCRIPTION

Appraisal District Property ID Number: _____

Physical Address: _____

Lot Number: _____ Block: _____ Unit: _____

ACKNOWLEDGEMENT:

By my signature below:

- I acknowledge that all permits have been issued based upon plans and specifications submitted to and reviewed by the District. If during any stage of construction it is determined that the proposed improvements will result in a change of location or placement of 25 feet or more, I am required to submit a revised site plan with any supporting documents needed for additional review and approval.
- I acknowledge myself to be bound to all rules and regulations of the Bastrop County Water Control and Improvement District #2, and to ensure that all provisions of my Permit(s) are faithfully performed.
- I certify that the all the information, statements and attachments contained herein are true and correct and that my Permit(s) may be revoked if found to be otherwise.

- I acknowledge that the issuance of Permit(s), or notice(s), does not create liability on the part of Bastrop County Water Control and Improvement District #2, its duly appointed agents, representatives and employees.
- I acknowledge that violations of local, state, and federal regulations are a Class C Misdemeanor and each day a violation occurs is a separate offense.
- I shall hold harmless the Bastrop County Water Control and Improvement District #2 and its duly appointed agents, representatives and employees against any action for personal injury or property damage sustained by issuance of permit(s) or notice(s).
- I hereby grant Bastrop County Water Control and Improvement District #2, its duly appointed agents, representatives and employees the authority to enter the property described in this application for the purpose of site, construction, and compliance inspections.

DOCUMENT DESCRIPTIONS AND REQUIREMENTS

SITE PLAN

Site Plan must include the following items that are applicable:

- Drawn to a scale no greater than 1"=60' or include measurements in feet
- Indicate North
- Identify Floodplain and Easements
- Label Streets
- All Structures Existing or Proposed
- Water Wells, Water Lines, On-Site Sewage Facilities (OSSF), Sewer Lines

COPY OF SURVEY OR PLAT: A copy of the plat is acceptable for recorded subdivisions. Otherwise, a survey map is required. When the property contains floodplain, the survey should delineate flood zones, floodway, proposed home foot prints, drainage easements, correct FIRM panel number (dated 1/19/2006), and any other information needed for review.

PROOF OF OWNERSHIP: A copy of the deed is required if appraisal district records (www.bastropcad.org) do not reflect current owner.

COPY OF OTHER REQUIRED PERMITS: A copy of all local, state, federal, or other required permits.
