

BASTROP COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT #2

*****STAGE 4 EMERGENCY WATER RESTRICTIONS IN EFFECT*****

June 13, 2023

ATTENTION: Due to having 1 well out of service for upgrades and now having another well go down, we are forced to enter into Stage 4 Emergency water restrictions. Please limit your water use as much as possible until we can get the necessary repairs made. We are sorry for all the issues, certain things are out of our control, but we are working as fast as we can to get it rectified.

Thank you,
BCWCID#2

Below is a list of water restrictions from the Drought Contingency Plan.

For more information, please visit our website at WWW.BCWCID2.ORG

1. Irrigation of landscape areas, including parks, athletic fields, and golf courses.
2. Use of water to wash any motor vehicle, motorbike, boat, trailer, airplane or other vehicles.
3. Use of water to wash down any sidewalks, walkways, driveways, parking lots, tennis courts or other hard surfaced areas.
4. Use of water to wash down buildings or structures for purposes other than immediate fire protection.
5. Use of water for dust control.
6. Flushing gutters or permitting water to run or accumulate in any gutter or street.
7. Use of water to fill, refill, or add indoor or outdoor swimming pools or Jacuzzi style pools.
8. Use of water in a fountain or pond for aesthetic water use or scenic purposes except where necessary to support aquatic life.
9. Failure to repair controllable leak(s) within one (1) week after having been given notice directing the repair of such leak(s).
10. Use of water from hydrants for construction purposes or any other purposes other than firefighting.
